

Go Ahead and Make Our Day with MakerSpaces

WE ASKED...AND CEF GRANTED!
YOU MADE OUR DAY!

We were excited that CEF granted funds to create MakerSpaces boxes for students to design, create and construct in hands-on exploration and participatory learning!

So, we got busy purchasing, inventorying, sorting and storing items so we could get them in the hands of our explorers!

Mrs. Rudder and friends set up for our staff MakerSpaces reveal!

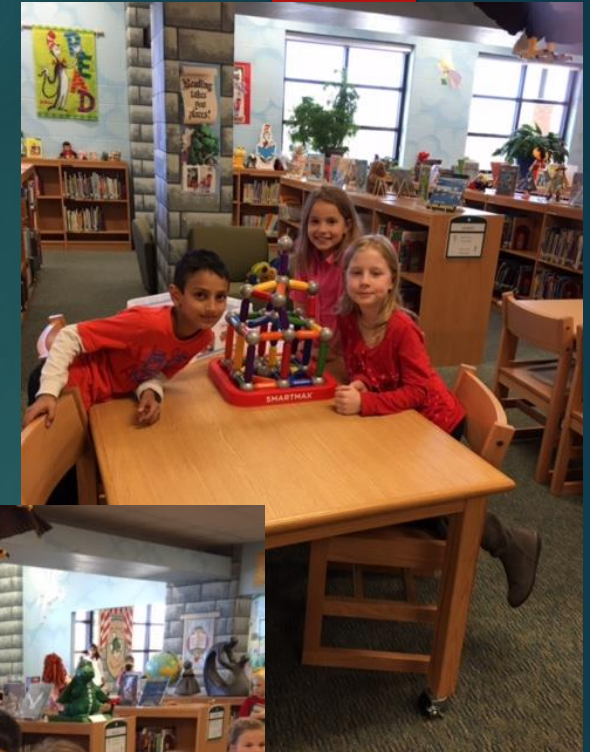

The staff had fun exploring, collaborating and building so they could see things through the eyes of their students!

After a brief explanation of expectations, the students enjoyed creating, collaborating, and teaming with their friends!

We have already made plans to expand our MakerSpaces next year!

IN a world where
you can be anything,
Be kind.

THE STUDENTS AND FACULTY OF JES THANK YOU,
CARROLL EDUCATION FOUNDATION,
FOR YOUR KINDNESS AND SUPPORT.
YOU MAKE OUR WORLD A BETTER PLACE!
